

On Wednesday, August 7th, 2019, the Greater Belleville Chamber of Commerce's Education Committee will host their annual Back to School Fun Fair at Belleville West High School from 5 - 7 p.m. Students from the Belleville elementary Chamber member schools* and their families will be invited to attend. Families in attendance will receive valuable information from local business leaders while participating in activities that will allow them to leave with a backpack full of school supplies in preparation for the new school year. The event will celebrate the new school year with food, games, and more.
