

Reopen Your Facility with Peace of Mind

As America reopens, Challenge Unlimited is ready to help your staff return to work in a thoroughly clean and safe environment. We specialize in professional disinfection services to eliminate hazardous pathogens like bacteria, viruses and infectious diseases in your facility.

Our trained response teams follow CDC guidance, wear Personal Protective Equipment (PPE), and use EPA-approved disinfectants with demonstrated effectiveness in killing a myriad of diseases.

We provide safe, effective and thorough disinfection cleaning services so you and your team can get back to work. We can accommodate public and private spaces, including:

- Public retail spaces
- Offices
- Warehouses
- Manufacturing facilities
- Shipping & distribution centers
- Schools & universities
- Hospitals & medical clinics
- Group homes
- Nursing facilities
- Churches

Disinfection Capabilities

- High Touch Point Disinfection
- Interior Space Disinfecting Services
- Enhanced Routine Disinfection
- Emergency & After-Hours Response
- Safe Disposal of Contaminated Materials

"I want to thank the [Challenge Unlimited] cleaning staff for their professional response and acknowledge how essential our custodial workers are during this crisis."

- ST. LOUIS SHERIFF VERNON BETTS
